

Be prepared for **Ramadan Festivities!**

The Holy month is just around the corner. So wait no longer to start planning for this major event with the help of Electra Events & Exhibitions. We can create a **unique concept** for your event at all levels, from full on turnkey event development, design and management; **original marquee and tent solutions**, with a choice of shapes and textures that are unique in the Middle East; to an **extensive range of quality furniture**. Every project is taken on internally from A to Z to deliver a truly sensational experience.

In fact, at Electra Event & Exhibitions we have already started preparing for this big summer event for you by creating a **special package that will ensure a sensational set-up at a fantastically good price**. Our exclusive package enables you to hire a high quality tent from the beginning till the end of Ramadan including bespoke decoration and furniture that we will adapt according to your needs.

What's more we can advise and provide you with **tailored furniture solutions** that will suit your individual needs and bring life to your project. Whether you are looking for an Arabic feel or a contemporary atmosphere, our extensive inventory can transform any typical surrounding into an elegant and comfortable ensemble that will perfectly suit and reflect your image at very competitive rates.

Please don't hesitate to contact us with your requirements or questions, our event managers will be pleased to assist you and nurture your project every step of the way.

Have you already received our **furniture catalogue?**
If not, do not hesitate to ask for it and we will send it across to you!

Feel free to send us your brief and we will be happy to assist you!
