

Take your events to a new level of individuality with the **Layali Tent...**

Electra Events & Exhibitions is proud to present its **Layali tent, a new solution** for your special events. Whether for a cocktail, a gala dinner or a private beach party... the Layali tent offers the optimal prerequisites for your events. Its elegant design and its professional functionality provide a beautiful spacious and original square environment of 20 x 20 m that can host up to 200 seated guests or 300 standing.

With 40 linear meters of window panels and the possibility to add up to 400m2 of terrace all around, the Layali tent is also the ideal solution for VIP chalets and outdoor events. It can also be combined with a smaller tent at the back to create a dedicated kitchen space.

What's more the Layali tent is highly versatile in terms of décor. We can advise and provide you with bespoke decoration and furniture solutions to suit your individual needs and bring life to your project. Whether you are looking for an Arabic feel or a contemporary atmosphere, our extensive inventory can transform the Layali tent into the elegant and comfortable ensemble that will perfectly suit your needs.

Electra Events & Exhibitions undertakes and creates events from the outset right through to the opening. With our extensive know-how, professional teams, complete in-house custom fabrication capabilities and production facilities, not forgetting our dedicated furniture hire and tent structure departments... we deliver global solutions of the utmost quality and technical performance all from under one roof. You can put your requirements in our hands with confidence and we will take care of the rest.

For more information about the Layali tent and the solutions we can provide, we invite you to contact one of our event managers who will be pleased to assist you.

Feel free to send us your brief and we will be happy to assist you!
